

PROVISIONAL EMPANELMENT OF OEMs of APCDs

Subject: *Empanelment of original equipment manufacturers (OEMs) of air pollution control devices (APCDs) with respect to industrial units in Delhi-NCR*

Reference: CP-14/33/2025-IPC-II-HO-CPCB-HO/ Dated: Sept 20' 2025

PO No.: ECA/HQ/P/09/CPCB/25-26

Date: 31st December 2025

This is to state that **M/s Shimi Research Center Private Limited** (GST Registration No. 07AAFCS0613R1Z3) has been **provisionally empanelled** as an *Original Equipment Manufacturer (OEM)* for installation/upgradation of APCDs in industrial units of Delhi NCR for the following category of APCDs:

APCD Type (s) provisionally empanelled:

- Pulse Jet Bag Filter / Baghouse

The provisional empanelment has been granted based on the **technical evaluation** of the application by the *APCD OEM Evaluation Committee*.

Field Verification

NPC will issue a **Final Empanelment Certificate** upon successful completion of the field visit and verification of performance parameters as per the approved SOP.

In case the OEM fails to demonstrate satisfactory performance or compliance during field verification, this provisional empanelment is liable to be withdrawn or rejected.

Disclaimer

This provisional empanelment does not include certification, statutory approval, or guarantee of performance by NPC. All responsibilities regarding design, operation, and performance of APCDs rest solely with the OEM and user industry.

Validity

Validity of this certificate is for two months from the date of issuance.
